## Conference Reception in Whittall Pavilion of the Jefferson Building

### Eleventh International Conference on Grey Literature

The GL11 Conference Reception will take place on Monday evening, December 14<sup>th</sup> 2009 in the Whittall Pavilion of the Library of Congress. Delegates from more than 65 organizations worldwide will be welcomed to the Eleventh International Conference on Grey Literature hosted by the Federal Library and Information Center Committee, FLICC/FEDLINK. This occasion will also witness the signing of a special partnership agreement between two of the participating organizations – an agreement that will no doubt evidence sustained impact on the international grey literature community.

## Japan Science and Technology Agency, JST Co-Sponsors GL11

Japan Science and Technology Agency co-sponsors GL11 and showcases J-STAGE. In order to maintain and develop Japan's science and technology research at an international level, it is important to disseminate outstanding research and development results to the world instantaneously. To this end, the "Japan Science and Technology Information Aggregator, Electronic" (J-STAGE) was developed. <http://www.jstage.jst.go.jp/browse/>

**Eleventh International Conference on Grey Literature**

Join the Federal Library and Information Center Committee (FLICC) of the Library of Congress in Washington, DC as host for GL11, December 14 and 15, 2009.

FLICC is an organization of U.S. federal agencies dedicated to cooperation and concerted action within the community of federal libraries and information centers. FLICC and FEDLINK, FLICC's purchasing, training and resource-sharing consortium, achieve better utilization of federal information resources and facilities through promotion of common services, coordination and sharing of available resources and professional development.

FLICC is also a forum for discussion of federal library and information policies, programs, and procedures to help inform the Congress, federal agencies, and others concerned with libraries and information centers.

### About GreyNet Newsletter

This serial publication endeavors to keep information professionals abreast of developments in the field of grey literature. The bimonthly newsletter gives exposure to GreyNet's information resources and frontline activities with special emphasis on the International Conference Series on Grey Literature. The GreyNet Newsletter replaces the monthly GL Conference Memoranda (2003-2008) and is made possible through the support of GreyNet's Associate Members and Corporate Authors: The British Library (United Kingdom), INIST-CNRS (France), New York Academy of Medicine (United States), and University of Ljubljana (Slovenia).

**Grey Literature** "information produced and distributed on all levels of government, academics, business and industry in electronic and print formats not controlled by commercial publishing *i.e.* where publishing is not the primary activity of the producing body." (Luxembourg, 1997; New York, 2004)
